LIST OF PUBLICATIONS
=====

as at 31st. July, 1965.

This list shows the monographs, books, occasional papers, journal articles, and reports produced by the members of the Institute. It lists the material according to whether it is freely available, or for restricted circulation only, or currently out of print. In the latter case, copies may be borrowed from the Institute on an inter-library loan basis, or microfilm copies ordered.

Where applicable, the present (revised) prices for publications are shown.

Except in the case of material listed as published by outside publishers, or in the case of journal articles for which the Institute no longer possesses copies or off-prints, orders should be addressed to:

The Director,
Institute for Social Research,
University of Natal,
King George V Avenue,
Durban, South Africa.
